

August 4, 2011

**JOHN N. GREENE, M.D., F.A.C.P.**

**CURRICULUM VITAE**

Professor of Medicine  
Department of Internal Medicine  
Division of Infectious Diseases and Tropical Medicine  
University of South Florida College of Medicine  
12901 Bruce B. Downs Blvd.  
Tampa, Florida 33612-9497

Mailing Address:  
Chief, Division of Infectious Diseases and Tropical Medicine  
Moffitt Cancer Center  
12902 Magnolia Drive, FOB-3  
Tampa, Florida 33612-9497  
Office: (813) 745-8565  
Fax: (813) 745-8468  
E-Mail: john.greene@moffitt.org

Home Address:  
3540 Swans Landing Drive  
Land O' Lakes, FL 34639

**DATE AND PLACE OF BIRTH:** May 2, 1960; Hialeah, Florida

**EDUCATION AND POST-GRADUATE TRAINING:**

B.S. - College of William and Mary, Williamsburg, Virginia, Biology and Psychology, 1982

M.D. - University of South Florida College of Medicine, Tampa, Florida, 1986

Resident, Internal Medicine - University of South Florida College of Medicine, Tampa, Florida, 1986-1989

Fellow, Infectious Diseases and Tropical Medicine - University of South Florida College of Medicine, Tampa, Florida, 1989-1991

Certified in Hospital Epidemiology, Society for Hospital Epidemiology of America, Centers for Disease Control, and American Hospital Association, 1992

**HOSPITAL POSITIONS:**

Chief, Infectious Diseases and Tropical Medicine, H. Lee Moffitt Cancer Center & Research Institute, Tampa, Florida, July 1991-present

Chief Epidemiologist, H. Lee Moffitt Cancer Center & Research Institute, Tampa, FL, July 1991-present

Director, Employee Health, H. Lee Moffitt Cancer Center & Research Institute, Tampa, Florida, July 1991- present

Director, Epidemiology, University of South Florida College of Medicine, Tampa, Florida, 1997-present

**ACADEMIC POSITIONS:**

Assistant Professor of Medicine, Department of Internal Medicine, Division of Infectious and Tropical Diseases, University of South Florida College of Medicine, Tampa, Florida, July 1991-June 1996

Associate Professor of Medicine, Department of Internal Medicine, Division of Infectious and Tropical Diseases, University of South Florida College of Medicine, Tampa, Florida, July 1996–December 2000

Professor of Medicine, Department of Internal Medicine, Division of Infectious and Tropical Diseases, University of South Florida College of Medicine, Tampa, Florida, January 2001 – present

Member, Interdisciplinary Oncology Program (IOP), H. Lee Moffitt Cancer Center & Research Institute, Tampa, Florida, May 2000 – present

Member, Blood and Marrow Transplant Program Multidisciplinary Team, H. Lee Moffitt Cancer Center & Research Institute, Tampa, Florida, September 2000 – present

Joint Appointment, Department of Internal Medicine, University of South Florida College of Medicine, Tampa, Florida, and September 2000 – present

**HOSPITAL AFFILIATIONS:**

H. Lee Moffitt Cancer Center & Research Institute, Tampa, Florida, 1991-present  
(Hospital name change 2008 – Moffitt Cancer Center)

James A. Haley Veterans Administration Hospital, Tampa, Florida, 1991-present

Shriners Hospital for Crippled Children, Tampa, Florida, 1991-present

St. Joseph's Hospital, Tampa, Florida, 1991-1996

Tampa General Hospital, Tampa, Florida, 1991-present

Kindred Hospital - Central Tampa, Florida, 1992-present

**BOARD CERTIFICATION:**

Diplomate, National Board of Medical Examiners, 1986

Diplomate, American Board of Internal Medicine, 1989

Diplomate, American Board of Internal Medicine, Sub-Specialty of Infectious Diseases, 1992 and recertification 2002

## **MEMBERSHIPS IN PROFESSIONAL AND SCIENTIFIC ORGANIZATIONS:**

American Medical Student Association, 1982-1986

American Academy of Family Physicians, 1986-1988

Florida Medical Association, 1986-1992

Hillsborough County Medical Association, 1986-1992

American Medical Association, 1986-1997

Infectious Disease Society of America, 1989-present

Southern Medical Association, 1990-1997

Immunocompromised Host Society, 1992-1997

Society for Healthcare Epidemiology of America, 1992-present

H. Lee Moffitt Cancer Center & Research Institute Member-In-Residence, 1993-present

Physician Advisory Panel for the National Center for Advanced Medical Education, 1993-1997

American International Health Alliance Epidemiology Task Force, 1994 (Traveled to Russia on request to assist the Russian Ministry of Health)

Fellow, American College of Physicians, 1995-present

American Association for the Advancement of Science, 1996-present

Member, Board of Directors, University of South Florida Dialysis Center, Tampa, Florida, 1997-1999

Emerging Infections Network of the Infectious Diseases Society of America, 1998–present

Alpha Omega Alpha Gamma Chapter at The University of South Florida College of Medicine, Tampa, Florida, 1998-present

American Society of Microbiology, 1998–present

Member, National Comprehensive Cancer Network, 1999-present

## **HONORS AND AWARDS:**

Athletic Scholarship (football), College of William and Mary, Williamsburg, Virginia, 1978-1982

Phi Sigma Biology Honor Society, 1979

Team Captain, Game Four, College of William and Mary Football Team, Williamsburg, Virginia, 1981

Joe Turillo Memorial Scholarship for Athletic/Academic Excellence, University of South Florida College of Medicine, Tampa, Florida, 1983-1986

Neurology Award, University of South Florida College of Medicine, Tampa, Florida, 1986

Outstanding Resident on Rotation, Department of Medicine, University of South Florida College of Medicine, Tampa, Florida, 1988

Omicron Delta Kappa Honor Society, 1988

Moffitt Angel (patient's family request), 1994-present

Faculty Award for Extraordinary Devotion and Skill in Teaching Internal Medicine residents, Department of Internal Medicine, University of South Florida College of Medicine, Tampa, Florida, June, 1995

Distinguished Teacher Award for continued support, friendship, and dedication to teaching, presented by the Class of 1996, University of South Florida College of Medicine, Tampa, Florida, April, 1996

Citation, "The Best Doctors in America: Southeast Region", 1996-present

Physician of the Year, H. Lee Moffitt Cancer Center and Research Institute, Tampa, Florida, 1997

Outstanding Alumni, Alpha Omega Alpha Gamma Chapter at The University of South Florida College of Medicine, Tampa, Florida, March, 1998

"Doctor of the Day", Florida Senate, Tallahassee, Florida, April, 1998

Osler Award (outstanding role model) presented by the graduating class, University of South Florida College of Medicine, Tampa, Florida, April, 1998

Nomination for Outstanding Sophomore Instructor by the graduating class, University of South Florida College of Medicine, Tampa, Florida, April, 2003

The Leonard Tow 2003 Humanism in Medicine Award, In Recognition of Exemplary Compassion, Competence and Respect in the Delivery of Care, the Arnold P. Gold Foundation, April, 2003.

Election to The Gold Humanism Honor Society in Recognition of Exemplary Service to Others February, 2005

Department of Internal Medicine, Outstanding Teaching Award to Residents, University of South Florida College of Medicine, June 2005

Appointment to Adjunct Clinical Faculty as Preceptor in the Barry University Physician Assistant Program at Barry University, Miami Shores, Florida June 2005 - Present

USF Department of Internal Medicine Faculty Award for H. Lee Moffitt Resident Teaching Award, May 2006

Selected by peers “*Best Doctors in America*® 2007-2008”

Biographical candidate representing industry in the *Who’s Who* Among Executives and Professionals “Honors Edition” – 2008-2009

Selected by peers “*Best Doctors in America*® 2009-2010”

*Who’s Who* of Executives Professionals and Entrepreneurs 2010-2011

Nomination for the USF College of Medicine Alumni Award – 2011

Nomination for University of South Florida College of Medicine Distinguished Physician Alumnus Award - 2011

### **COMMITTEES:**

#### **H. Lee Moffitt Cancer Center & Research Institute, Tampa, Florida** **Hospital renamed in 2008 to “Moffitt Cancer Center”**

Chairman, Infection Control Committee, 1991-present

Chairman, HIV Task Force, 1991- 1999

Member, Pharmacy and Therapeutics Committee, 1991-present

Member, Executive Committee of the Medical Staff, 1992-present

Member, Hospital Performance & Improvement Committee, 1992-present

Member, Special Care Committee, 1992-present

Member, Leukemia and Lymphoma Center, 1992-1998

Member, Patient Education Committee, 1993-1996

Member, Nutritional Services Advisory Committee, 1993-1996

Member, CQI Task Force, 1995-1996

Chairman, Medical Staff Nominating Committee, 1996

Chairman, Clinical Systems Implementation Steering Committee, 1997–1999

Secretary/Treasurer, MCC Medical Staff, 1999

Vice President MCC Medical Staff, 2000-2002

Infusion Partners, LLC, Clinical Advisory Committee, 2000

Member, Environment of Care Committee, 2000-present

Co-Chairman, Ethics Committee 2000-2001

Chairman, IOP Education Committee, 2001-2004

Member, Medicine/BMT Quarterly Meeting, 2001-Present

Member, Campaign Cabinet Meeting, Moffitt Cancer Center, 2001-2004

Member, Clinical Leadership Council, Moffitt Cancer Center, 2002-present

Member, Graduate Medical Education Committee, Moffitt Cancer Center, 2002-2005

President, Medical Staff, 2002-2004

Member, Medical Student Affairs Committee, USFCOM, 2005-2008

Associate Chairman, Graduate Medical Education, October 2005-present

Member, LCME Self Study Committee, USF COM, November 2005

Chairman, Ethics Committee, 2001-present

Chairman, Infection Control and Epidemiology (ICE) Committee, August 2006-present

## **James A. Haley Veterans Administration Hospital, Tampa, Florida**

Member, Peer Review Committee, 1988-1989  
Member, AIDS Review Committee, 1991  
Member, Medical Staff Committee, 1991-present  
Member, Infectious Diseases Department – 1991-present

## **University of South Florida College of Medicine, Tampa, Florida**

Member, USFCOM Infectious Diseases Division, Department of Internal Medicine – 1991-present  
Member, Center for HIV Education and Research, 1992-1996  
Director, USF City-Wide Infection Control and Hospital Epidemiology Committee, 1992-1999  
Alternate Member of Division Directors Monthly Meeting for Internal Medicine, 1992-2001  
Member, Committee on Academic Status, 1994-1996  
Member, Scientific Review Committee, Department of Internal Medicine, 1994-1996  
Member, USFCOM LCME Self-Study Committee on Medical Students, 1997-2008  
Member, USF Physicians Group Board of Directors, 1998-2001  
Member, USF Medical Services Support Corporation Board of Directors, 1998-2001  
Member, USF Physicians Group Performance and Improvement Committee, 1999-2008  
Vice President, USFCOM Faculty Council, 1999  
President, USFCOM Faculty Council, 2000-2001  
Member, USFCOM Executive Council, 2000–2001  
Member, USFCOM Strategic Planning Committee, 2000–2002  
Member, USFCOM Bloodborne Pathogen Task Force, 2000-present  
Chairman, USFCOM Curriculum Committee Group C (Medical School Year 2), 2000-2001  
Chairman, USFCOM Committee on Committees, 2000  
Member, USF Physicians Group Nominating Committee for new at-large members, 2000  
Member, USF Steering Committee, 2001  
Member, Clinical Affairs Group, 2001  
Member, Vision/Values Work Group, 2001  
Member, USFCOM Medical Student Scholarship Committee, 2003  
Member, USFCOM Professional Student Affairs Committee, 2005-2007

## **Other**

Member, Hillsborough County Medical Association Resident Development Committee, Tampa, Florida, 1989

Member, National Comprehensive Cancer Network, Neutropenic Guidelines, 1999-present

Member, Mycosis Study Group, University of Alabama at Birmingham, 2008

## **INTERNATIONAL LECTURES, COMMITTEES AND ACTIVITIES:**

AIDS Update, Infections of the Skin and Soft Tissues and Surgical Infections, Medical and Surgical Update, CME, San Jose, Costa Rica, 1995

The history of Infectious Diseases, Holland America Cruise, Vancouver, B.C. to Alaska, August 1995

Hepatitis B and C, Tuberculosis Update, Tibetan Autonomous Region, Lhasa City, Tibet, April 1997

Therapeutic Choices in the Treatment of Invasive Fungal Infections. Joint Conference, Toronto, Canada, 1997

Tropical Medicine Outreach to Underprivileged Along Amazon River, Brazil, (mentor ID fellow), March, 1998

“STD, AIDS and Sexual Purity” lectured teachers and students (college, high school, junior high) in Santo Domingo and other cities in Dominican Republic, March 2000

Tropical Medicine Outreach to Underprivileged in Benin, Africa (mentor ID fellow), June 2000.

HIV/AIDS Update (college, high school, junior high students), Guatemala, April, 2001

HIV/AIDS Update (college, high school, junior high students), Ukraine, June 2001

Infectious Tropical Disease Encountered in Medical Outreach Countries, Missionary Ventures International’s Medical Missions Department, Orlando, Florida, January, 2002

AIDS and Cautions Concerning AIDS, Missionary Ventures International’s Medical Missions Department, Orlando, Florida, January, 2002

Infectious Tropical Disease Encountered in Medical Outreach Countries, Missionary Ventures International’s Medical Missions Department, Orlando, Florida, January, 2003

Infectious Disease and Tropical Medicine Outreach to Underprivileged Ghana (mentor ID fellows), October 2-8, 2006

Infectious Disease and Tropical Medicine Outreach to Underprivileged Dominican Republic (mentor ID fellows), April 2-9, 2007

Infectious Disease and Tropical Medicine Outreach to Underprivileged Bolivia (mentor ID fellows), April 7-13, 2008

Infectious Disease and Tropical Medicine Outreach to Underprivileged Bolivia (mentor ID fellows), April 11-17, 2009

Infectious Disease and Tropical Medicine Outreach to Underprivileged Bolivia (mentor ID fellows), March 27- April 3, 2010

**COURSES TAUGHT AT UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE:**

- BMS 6300 Medical Microbiology and Immunology, 1994-present
- BMS 6300/ Interdisciplinary Clinical/Pathologic Correlation session
- 6600 Medical Microbiology and Immunology (BMS 6300) and Pathology and Laboratory Medicine (BMS 6600) 1996-present
- BMS 6810 Introduction to Clinical Medicine 1990-1993
- BMS 6830 Physical Diagnosis 1990-1993

BSC 4910 Undergraduate Research 1996-present  
 MEL 7117 Clinical Microbiology and Infectious Diseases 1995  
 MEL 7310 Infectious Diseases and Tropical Medicine, 1991-present  
 MEL 8362 Infections in Cancer and Bone Marrow Transplant Patients (Course Director)  
 1991-present  
 MEL 9910 Independent Study in Infectious Diseases 1991-present  
 MEL 8338 Honors Acting Intern in Medicine 1996-1997  
 MCB 3030 General Microbiology (Undergraduate class) 1994-1995  
 NGR 6931 Cancer Symptom Management in Primary Care 1997-present  
 NGR 6096 Management of Infections in Immunosuppressed Patients 1997-present  
 PCB 5235 Principles of Immunology - November 1994  
 PCC 6110 Internal Medicine Clerkship, Attending 1995-present  
 MEL 7815 Honors Course in Surgery for Fourth Year Medical Students: Infections in the Surgical  
 Patient-June 2003 - present  
 MEL 7815 Honors Course in Surgery for Fourth Year Medical Students: Proper Use of Antibiotics  
 and Surgical Infections/Disease-June 2003-present  
 BCC 8117 Interdisciplinary Oncology – (new clerkship)-April 2006-present  
 BMS 6300 Fall course for Med II students - December 1, 2006-present  
 GMS 7930 Fall course for Medical Parasitology & Mycology – November 13, 2008  
 GMS 6100 Medical Microbiology – G (-) cocci - Infectious Disease Correlation: The CSF specimen  
 in the differential diagnosis of meningitis, October 20, 2009  
 GMS 7930 Medical Parasitology & Mycology - Clinical Management of Fungal Infections –  
 November 12, 2009

### **OTHER COURSES TAUGHT:**

Sexually Transmitted Diseases Training Course, Hillsborough County Health Department 1989-1992  
 (once monthly), 1998

Introduction to Infectious Diseases (Fellows) 1992-present

Course director of a national conference on Infections in Cancer and BMT patients, St. Petersburg,  
 Florida, 1995

Co-director of a national course on Colonization versus Infection sponsored by National Foundation of  
 Infectious Diseases, Clearwater, Florida, 1995

Infectious Disease Summer Research and Mentoring of Medical Students Year 1, 1994-present

Publication Club for Senior Honor Medical Students, 1995-1997

Division of Medical Oncology/Hematology Noon Conference program, H. Lee Moffitt Cancer Center &  
 Research Institute, 1996-present

Bone Marrow Transplant Workshops, H. Lee Moffitt Cancer Center & Research Institute 1997-present

Multidisciplinary Sepsis Conference for Third Year Medical Students, 1999-2003

Workshop: Case studies of Infections in Cancer Patients Diagnosis and Management co-presenter at American Society of Microbiology in Los Angeles, California, May 2000

BMT orientation for new hires at Moffitt Cancer Center “Infections in the BMT patient” – every other month

**EDITORIAL POSITIONS:**

Editorial Board, Cancer Control, 1994-present

Reviewer, Southern Medical Journal, 1994-2002

Associate Editor, Antimicrobials and Infectious Diseases Newsletter, 1994-2000

Editorial Board, Infections in Medicine, 1995-2009

Section Editor for Infectious Diseases, Hospital Practice, 1995 - 2002

Invited Editor, Clinical Infectious Diseases, 1996 - 2002

Associate Editor, Infections in Urology, 1996 - 2002

Invited Editor, Infectious Diseases in Clinical Practice, 1997 - present

Invited Editor, Infection Control and Hospital Epidemiology, 1998

Editorial Board, Abstracts in Hematology & Oncology, 1998 – 2009

Editorial Advisory Board, Medscape Infectious Disease, 1999 – 2002

**COMMUNITY SERVICE:**

Volunteer, Physical Examinations for underprivileged school Athletes, University of South Florida College of Medicine, Tampa, Florida, 1986

Volunteer, Judeo Christian Clinic, Tampa, Florida, 1986-2004

Hillsborough County Public Schools AIDS Education Committee, Tampa, Florida, 1991-1994

Guest speaker, "AIDS Research." Hillsborough County science teachers, Tampa, Florida, 1992

Volunteer, University of South Florida/HRS HIV Clinic, Tampa, Florida, 1992 –1995

Construction for Worldwide Evangelism - Church building construction in underdeveloped areas: St. Thomas, St. Lucia, Haiti, Antigua, Dominica, 1992-1996

HIV/AIDS Update to High School Students, Tampa, Florida, 1992-1997

Advisor and Volunteer, Construction for World-Wide Evangelism (CWE), Tampa, Florida, 1992 – present

Guest speaker, "AIDS/HIV Update." West Central Florida Health Care Human Resources Association, H. Lee Moffitt Cancer Center & Research Institute's Board of Directors, Public Affairs Group of University of South Florida Health Sciences Center, Hillsborough County science teachers and Hillsborough High School science class, Tampa, Florida, 1993

Volunteer, Hillsborough County Public Schools, The Great American Teach-In, Tampa, Florida, 1993 - 2000

Trustee, Temple Heights Baptist Church Corporate Council, Tampa, Florida, 1993 – 1996

Guest speaker, "Vancomycin Resistant Enterococcus." APIC Bay Area Chapter Annual Education Seminar, Tampa, Florida, 1994

Member, Temple Heights Baptist Church Finance Committee, Tampa, Florida, 1994 - 1996

USF Representative, Sun Coast AIDS Network, State of Florida, Tampa, Florida, 1994-1995

Medical Consultant, provided physical examinations and laboratory studies at H. Lee Moffitt Cancer Center & Research Institute for 11 athletes from Kiev, Ukraine, 1995

Guest speaker, "Caring for People with Cancer." Great American Teach-In, Hillsborough County School District, Tampa, Florida, 1995

Co-founder and Faculty Mentor, Christian Medical and Dental Society, University of South Florida COM, 1995 – present

Faculty Advisor, Christian Medical Student Society Members, University of South Florida COM, 1995 - present

Guest speaker, "Caring for People with Cancer." Great American Teach-In Tampa Bay, Hillsborough County School District, Tampa, Florida, 1996

Guest speaker, "Syphilis, Syphilis Serology, and Syphilis Case Presentations." STD Part-Time Intensive Workshop for Florida HIV/ STD/ TB Prevention Training Center, 1997

Guest speaker, Leto Comprehensive High School, Tampa, Florida, 1997

Tropical Medicine Outreach, Santo Antonia Do Ico, Amazons, Brazil, March, 1998

Participant "Irene Maher's Medical Team." Bay Area health experts who appear in news segments periodically, Channel 8 - WFLA-TV, Tampa, Florida, 1998 - 2002

Member, Idlewild Baptist Church Missions Committee, Tampa, Florida, 1999-2002

Bioterrorism, Museum of Science and Industry, high school students, Tampa, Florida, June 6, 2002

Guest speaker, Clair-Mel Elementary Great American Teach-In, November 2003

Medical Mission trip to Haiti, Dominican Republic, Ghana, Africa, Bolivia 2003-present

Surgical Infection and Antibiotic Resistance. USF Surgical Residents/Fellows, Tampa, Florida. February 20, 2003

Management of Infections in Immunosuppressed Patients. Nursing Concepts Course at the College of Nursing, Tampa, Florida, March 17, 2003

Severe Acute Respiratory Syndrome (SARS). New Tampa Rotary Club, Tampa, Florida, May 16, 2003

Medical Careers, Sligh Middle School Health Magnet, Sixth Grade class, Tampa, Florida, August 20, 2003

Guest speaker, Clair-Mel Elementary Great American Teach-In, November 2003

ABWE Medical Missions Interface, Harrisburg, PA, "HIV/AIDS Overview", July 17, 2004

ABWE Medical Missions Interface, Harrisburg, PA, "HIV/AIDS in Mission Hospitals: Treatment, Prevention, Treatment of Accidental Exposure", July 17, 2004

ABWE Medical Missions Interface, Harrisburg, PA, "Common Infections and Their Prevention in Travelers and Missionaries", July 17, 2004

USF/Moffitt Grand Rounds, "Global AIDS Crisis and Our Response", September 24, 2004

Board Review Course Lecture: University of South Florida, Department of Internal Medicine: "Infection in Cancer Patients and Febrile Neutropenia Management", September 24, 2004

Board Review Course Lectures: University of South Florida, Department of Internal Medicine: "Fungal Disease in Normal and Immunosuppressed Hosts" and "Antifungal Therapy: Board Review and State of the Art", October 29, 2004

Blood and Marrow Transplant Workshop, Moffitt Cancer Center, Tampa, Florida, Topic: Common Infections, November 2004

Journalist Symposium "Aging in the 21<sup>st</sup> Century", Moffitt Cancer Center and Research Institute: "Infections in the Elderly: Special Challenges", March 29, 2005

USF/Moffitt Grand Rounds, "Communicable Disease After World Wide Tropical Disasters", February 1, 2005

Blood and Marrow Transplant Workshop, Moffitt Cancer Center, Tampa Florida, Topic: Management of Infections in SCT, September 27, 2005

James A. Haley VA Hospital Geriatric Conference, Tampa, Florida, Topic: Resistant Organisms, October, 21, 2005

Deacon, Idlewild Baptist Church, 2005-present

ABWE Medical Missions Interface, Harrisburg, PA, “Common Infections and Their Prevention in Travelers and Missionaries”, June 17, 2006

Geriatric Conference James A. Haley Veterans’ Hospital, Tampa, FL, “Multi-Drug Resistant Infections Including Clostridium Difficile”, January 5, 2007

Infectious Disease Interest Group (IDIG), Tampa General Hospital, FL, “Head and Neck Infections” (2) lectures, February 12 and 28, 2007

Live Radio Broadcast for Moody Radio station in Chicago - May 30, 2007, “Investigation of U.S. Traveler with Extensively Drug Resistant Tuberculosis (XDR TB)”

Radio Broadcast for North Western Radio Station – May 31, 2007, “Investigation of U.S. Traveler with Extensively Drug Resistant Tuberculosis (XDR TB)”, general information about stronger strains of infections, and the status of the bird flu

Endocrinology Noon Conference Presentation – James A. Haley, VA Medical Center, Tampa, FL and West Palm Beach VA Medical Center, February 5, 2008

Second Annual Symposium on Cutaneous Lymphoma - Infectious Diseases in Patients with Lymphomas, With Focus on Cutaneous T Cell Lymphomas Presentation – Lake Buena Vista, FL, April 19, 2008

Surgical Infections/Disease Lecture – 4<sup>th</sup> year Honors in Surgery Students, USF – Department of Surgery, Tampa FL, June 16, 2008

Radio Interview - American Family Radio with Ed Thomas regarding CDC published article: “More than 56,000 in U.S. infected with AIDS each year” August 5, 2008

Endocrinology Noon Conference Presentation – James A. Haley, VA Medical Center, Tampa, FL and West Palm Beach VA Medical Center, November 4, 2008 – “Endocrine Infections”

Newspaper Interview – St. Petersburg Times working with World Vision – Malaria – “Arresting a leading killer of young Children” – November 6, 2008

ABWE Medical Missions Interface, Harrisburg, PA, “Common Infections in Third World Countries and Tropical Medicine updates in Infectious Diseases” June 11-19, 2009

Live Radio Interview - Producer Bernie Bennett for *Janet Parshall’s America* – Swine Flu – preparing parents for sending children back to school – what to look for – August 5, 2009

Radio Interview - American Family Radio, New York with Ed Thomas – “HIV/AIDS exposure in U.S.” December 3, 2009

## **GRANTS:**

### **Principle Investigator**

1. **Greene JN**, Hiemenz JW: Fluconazole in the Early Empirical Treatment of Suspected Fungal Infections, Pfizer, 1992-1996, \$143,520
2. **Greene JN**, Hiemenz JW: Amphocil in Patients with Renal Impairment Who Have a Systemic Fungal Infection, Liposome, 1992-1996, \$150,000
3. **Greene JN**, Hiemenz JW: Randomized, Placebo-Controlled Trial of E5 Antiendotoxin Monoclonal Antibody, PACT Inc., 1993-1997, \$27,500
4. **Greene JN**, Hiemenz JW: Itraconazole vs. Amphotericin B for Invasive Aspergillosis, Mycosis Study Group, 1994-1997, \$ pending
5. **Greene JN**, Hiemenz JW: Comparison of Amphocil<sup>TM</sup> with Amphotericin B for Systemic Fungal Infections, Liposome Technology, 1994-1997, \$150,000
6. **Greene JN**, Hiemenz JW: ITR-INT-61: Multicenter Study of Itraconazole in the Treatment of Candidemia, Janssen Research Foundation, 1996, \$71,965
7. **Greene JN**: A Randomized, Open Label, Comparative, Multicenter Trial of Voriconazole vs. AmBisome for Empirical Antifungal Therapy in Immunocompromised Patients with Persistent Fever and Neutropenia, Pfizer, 1998, \$111,290
8. **Greene JN**: An Open Randomized Comparative Multicenter Study of the Efficacy, Safety and Toleration of Voriconazole Versus Amphotericin B Followed by Other Licensed Antifungal Therapy in the Treatment of Acute Invasive Aspergillosis in Immunocompromised Patients, Pfizer, 1998, \$101,763
9. **Greene JN**: A Multicenter, Open, Non comparative Study to Estimate the Safety, Tolerability, and Efficacy of MK-0991 in the Treatment of Invasive Aspergillus Infections in Adults who are Refractory to or Intolerant of Amphotericin B, Lipid Formulations of Amphotericin B, or Azoles, Merck & Co., 1998, \$ pending
10. **Greene JN**: Use of Ambisome for Treatment of Invasive Fungal Infections in Patients Unresponsive or Intolerant to Conventional Amphotericin B, Fujisawa, 1998, \$ pending
11. **Greene JN**: An Open Label, Non-Comparative Protocol for the Emergency Use of Voriconazole (UK 109,496) in Patients with Life-threatening, Invasive Mycosis who are Failing on Currently Available Antifungal Agents, 1999 – 2003 (no \$)
12. **Greene JN**: A Multicenter, Double-Blind, Randomized Comparative Study to Evaluate the Safety, Tolerability, and Efficacy of MK-0991 Versus (Amphotericin B) Liposome for Injection as Empirical Therapy in Patients with Persistent Fever and Neutropenia, 2000 – present, \$206,234

13. **Greene JN:** A Multicenter, Double-Blind, Randomized, Comparative Study to evaluate the Safety, Tolerability, and Efficacy of MK-0991 vs. Amphotericin B in the Treatment of Invasive Candidiasis in Adults, Merck & Co., 2000, \$76,980
14. **Greene JN:** An Open Randomized Comparative Multicenter Study of the Efficacy, Safety, and Toleration of Voriconazole Versus Amphotericin B Followed by Other Licensed Antifungal Therapy in the Treatment of Acute Invasive Aspergillosis in Immunocompromised Patients, 2000 – present, \$81,763
15. **Greene JN, Gompf SG:** 045-00 A Multicenter, open, Non-Comparative Study to Estimate the Safety, Tolerability, and Efficacy of Caspofungin acetate in the treatment of adults with invasive Candida Infections, Merck, 2005, \$14,400 (5%)
16. **Greene JN, Gompf SG:** PO1899 A randomized controlled trial of posaconazole (SCH 56592) vs. standard azole therapy for the prevention of invasive fungal infections among high-risk neutropenic patients, Schering Plough, 2005, \$73,800 (5%)
17. **Greene JN:** A Randomized Controlled Trial of Posaconazole (SCH 56592) vs. Standard Azole Therapy for the Prevention of Invasive Fungal Infections Among High Risks Neutropenic Patients, May 16, 2002-May 15, 2007, \$77,647

Rosas L, **Greene JN** – Baseline and Bimonthly HRCT Imaging in the Early Detection and Treatment of Nodular Pneumonia in Leukemic Patients with Prolonged Neutropenia – Abstract #30295 submitted for the 49<sup>th</sup> Annual IDSA meeting – October 20-23, 2011, Boston Exhibition and Convention Center – Boston, Massachusetts – May 2011
14. Rosas L, **Greene JN** – Non-gastrointestinal aeromonas Hydrophilia Infections in Cancer Patients – Abstract #31028 submitted for the 49<sup>th</sup> Annual IDSA meeting – October 20-23, 2011, Boston Exhibition and Convention Center – Boston, Massachusetts – May 2011
15. Givins P, Velez AP, Sandin RL, Quilitz RE, **Greene JN** – Development of Enteroviral Meningoencephalitis Following Rituximab Treatment for Non-Hodgkin’s Lymphoma - Submitted to Infectious Diseases in Clinical Practice – (IDCP) May 23, 2011 – IDCP-11-81
16. Prince MD, Suber JS, Aya-ay ML, Cone JD, **Greene JN**, Smith DJ, Smith PD – Prosthesis Salvage in Breast Reconstruction Patients with Peri-prosthetic Infection and Extrusion – Submitted to Plastic and Reconstructive Surgery Journal – June 2011
17. Maroun EM, Chakrabarti A, Baker M, Canchi D, **Greene JN** – Pyogenic Liver Abscess due to Fusobacterium mimicking Metastatic Liver Malignancy - Submitted to Infectious Diseases in Clinical Practice – (IDCP) June 7, 2011 – IDCP-11-88
18. Cheema A, Highsmith J, McCardle T, Castillo E, Sandin RL, Velez, AP, **Greene JN** – Cutaneous manifestations of Human T-lymphotropic virus Type -1: Case Report – Submitted to Infectious Diseases in Clinical Practice – (IDCP) June 13, 2011
19. Rivera R, Cheema A, Mai J, Oehler RL, Sandin RL, **Greene JN** – Curtobacterium Brain Abscess: Case Report – Submitted to Infectious Diseases in Clinical Practice – (IDCP) June 13, 2011
20. Cheema A, Blue BJ, Medveczky M, Medveczky P, Velez AP, Vincent AL, Sandin RL, **Greene JN**, - Germ Line Integrated Herpesvirus 6 Simulating Active Viremia and Encephalitis: Case Report – Submitted to Infectious Diseases in Clinical Practice – (IDCP) June 13, 2011
21. Hoynes DS, Patel Y, **Greene JN**, Sandin RL, - Isolated Posterior Pharyngitis – Images in ID – What’s the Diagnosis – Submitted to Infectious Diseases in Clinical Practice – (IDCP) June 13, 2011

22. Di Marco A, Doumit E, Anasetti C, Perkins J, Quilitz RE, Tate C, Shapiro J, Byer J, Rafi A, **Greene JN**, Preliminary Safety and Efficacy of Leflunomide in BK Virus-Associated Cystitis and Nephropathy after Hematopoietic Stem Cell Transplantation – Submitted to Biology of Blood and Marrow Transplantation as a Brief Article – 6/26/2011

### **WORKING MANUSCRIPTS:**

- Infectious Disease Contributions to mortality in AML Patients: “A Case Series review of Moffitt Cancer Center Patients with AML who died in 2005 and 2006”
- Meropenem Treatment of a Delayed Post-Surgical Propionibacterium Acnes Brain Abscess
- Human meta pneumovirus in SCT patient
- JC Virus PML
- Community Acquired Methicilline Resistant *Staphylococcus Aureus* Pneumonia
- *Fusarium* Infections in Cancer Patients
- *Bordetella bronchiseptica* Infections in Cancer Patients
- Fusobacterium Infections in Cancer Patients
- Rapidly Growing Mycobacterium Infections in Cancer Patients
- Use of Daptomycin Prophylaxis for prevention of VRE bacteremia in Colonized Neutropenic Patients
- Baseline and Bimonthly CT Chest in Neutropenic Leukemic Patients for Early Detection of Mold Pneumonia
- PNA-FISH for Early Detection of VREF and MRSA: Impact on Earlier Recognition and Treatment
- Combination Therapy for Disseminated Fusarium Infections: Improved Outcomes
- Parainfluenza Outbreak
- VRE bacteremia breakthrough on daptomycin effectively Rx with Synercid
- Prevention of VRE bacteremia in colonized patients with neutropenia
- Penicillium in Cancer Patients
- MDR pseudomonas and facial palsy
- Combo antifungal therapy for disseminated Fusarium

- Breakthrough mold infections in patients on Posaconazole prophylaxis
- Case of disseminated Paecilomyces or Yarrowia lipolytica found in high frequency from lung tissue resected to rule out malignancy
- Alpha interferon Rx of community acquired viral pneumonia in HSCT patients
- Chronic Cryptosporidium in HSCT patients
- Prevention of VRE Bacteremia in Neutropenics
- Cryptosporidium in BMT/CA patients
- Increasing Fluoroquinolone resistant E coli Bacteremia in Febrile Neutropenic Patients with Leukemia on Levofloxacin Prophylaxis
- New Developments in BK Virus Infection
- Meropenem Treatment of Propionibacterium CNS Abscess
- Fatal Penicillium Sinusitis in a Patient with Acute Myelogenous Leukemia and Prolonged Neutropenia
- Eye mold Infections
- Ciguetera and descending paralysis
- Varicella and Fusarium successful RX
- Wegener's Granulomatosis
- E-coli – Quinolone resistant e-coli in lieukemic population
- Tick Paralysis
- Arthropod-borne disease
- Scromboid
- KPC MDR Klebsiella - KPC bacteremia/peritonitis/pneumonia successful Rx
- Cladospora
- Syphilis and HSCT
- Curtobacterium Epidural Abscess in the Brain
- Metastatic Choriocarcinoma with Brain Mets Cured with Chemo

- Tunga Fleas
- Skin Infection with Dark Pigmented Molds
- Case report of Fusobacterium bacteremia with septic emboli to the lungs
- Allergic Bronchopulmonary Aspergillosis
- Trifluridine Treatment of Chronic Herpes of the Skin in Immunosuppressed Patients
- Cutaneous Manifestations of TB
- G-Tube Infections
- Disseminated Mycobacterium Chelonae
- Management of Hepatitis B in Cancer Patients on Chemotherapy
- Comprehensive Review of UTIs
- Fungal Pneumonia Pattern on CT Chest Study
- Recurrent Streptococcal Infection
- Salmonella Bacteremia in Cancer Patients
- Coccidioidomycosis in patients on Infliximab (tumour necrosis factor – alpha inhibitors)
- Cytomegalovirus encephalitis after allogenic hematopoietic cell transplantation in a patient with Hodgkin Disease
- Lady Wendermere’s Syndrome – with a chronic cough
- Impact of Ethics Consultation on Critically Ill Patients in an Academic Cancer Center
- Posterior Reversible Encephalitis Syndrome (PRES)
- Influenza in Bone Marrow Patients
- The effect of antibiotics on the diagnostic yield of bronchoalveolar lavage in leukemic and bone marrow transplant patients
- Millan’s ear (erysipelas of the ear)
- Infections acquired due to certain religious practices/beliefs
- TB of the Arm
- Phaeohiphomycosis – on leg 70 years after injury

- Legionella presenting as a large nodular pneumonia
- Posaconazole Treatment of Lower Gastrointestinal Tract Mucormycosis in a Patient with Acute Myelogenous Leukemia
- Surgical Management of Invasive Mold Infections in Cancer Patients
- Mycobacterium Fortuitum Breast Infection after Nipple Ring Placement
- Daptomycin resistant VRE infections in leukemia patients with prolonged neutropenia
- CT chest patterns of 3 major fungal infections in leukemia patients with prolonged neutropenia with emphasis of aspergillus, fusarium, and zygomycosis
- Retrospective analysis of 57 pediatric oncology patients colonized with VRE
- Successful treatment of PML with interferon
- Hairy Tongue – Lingua Villosa
- Human Staphylococcus intermedius infection in a patient with post radiation changes
- Retrospective VRE protocol – DRE
- Development of Enteroviral Meningoencephalitis Following Rituximab Treatment for Non-Hodgkin’s Lymphoma
- Mycobacteria Mucogenicum Infections
- Extra-Colonic Manifestation of Clostridium Difficile Infection
- Alpha-1 Antitrypsin Deficiency and Nodular Pneumonia
- Rituximab Associated Occurrence of Disseminated Military Tuberculosis
- Cryptococcus stem cell contamination
- Abiotrophia bacteremia in cancer patients
- VRE Infection Control
- BK virus hemorrhagic cystitis with leflunomide
- Intestinal Cryptosporidiosis Following HSCT
- Leflunomide for CMV
- To Shoot or Not to Shoot: A Review of Adult Vaccinations for Cancer Survivors

- Human Staphylococcus intermedius infection
- Strep mitis bacteremia in neutropenics causing ARDS
- Human T-Lymphotropic virus type – 1 Infection associated Cutaneous manifestations/Skin Rash/Infective Dermatitis
- A Case of Coccidioides Synovitis of the Knee Presents Clinically as Pigmented Villonodular Synovitis
- HHV-6 encephalitis
- Nocardia – Brain Abscess in Cancer Patients
- Fusarium Endophthalmitis
- Brain Abscess in BMT patients (Multiple Sources) – Mycobacteria, Nocardia, Molds, Aspergillus, Toxoplasmosis. etc.
- HCT – Treatment and Prevention of Infections Following Allogenic Stem Cell Transplantation
- GNR bacteremia after prostate procedures
- Keratitis and Conjunctivitis in Cancer Patients (Causes of)
- Fish Handlers Related Infections
- Mycobacteria abscessus cystitis following BCG Treatment
- Rice Body Tendonitis
- Pedi coccus in Cancer Patients
- Necrotizing tracheobronchitis due to paraflu and aspergillus
- DAH in BMT Patients
- Talc Pneumonia
- Prostate biopsy with Q resistant E-coli

**BOOKS:**

Editor. Infectious Diseases Clinics of North America; Infections in the Cancer Patient. June 1996

Editor. Marcel Dekker, Inc. Infections in Cancer Patients. 2004

## **BOOK CHAPTERS:**

Hiemenz JW, **Greene JN**: Special Considerations for the Patient Undergoing Allogeneic or Autologous Bone Marrow Transplantation. Infectious Complications in the Immunocompromised Host II in Hematology/Oncology Clinics of North America, Saunders, Philadelphia, Pennsylvania, 5:961-1001, October 1993

**Greene JN\***: Cat Scratch Disease. The APIC Curriculum for Infection Control, Mosby, St. Louis, MO, 1994

**Greene JN\***, Stratton CW: Chapter 86: Role of the Microbiology Laboratory in Hospital Epidemiology and Infection Control. Ed. Mayhall G for Hospital Epidemiology and Infection, Williams & Wilkins, Baltimore, Maryland, 1996

**Greene JN\***: Catheter-Related Complications of Cancer Therapy. Infectious Disease Clinics of North America, Saunders, Philadelphia, Pennsylvania, 1996

**Greene JN\***: Management of Infectious Complications. Comprehensive Geriatric Oncology, Harwood Academic Publishers, The Netherlands, 1998

Quiroz E, **Greene JN\***: Chapter 11: Oral Manifestations of Human Immunodeficiency Virus Disease. Swallowing Intervention in Oncology, Singular Publishing Group, Inc., California, pgs.163-180,1999

**Greene JN\***, Poblete SJ, Krieff D: New Directions in Antimicrobial Therapy, Thoracic Disorders in the Immunocompromised Patient, Chest Surgery Clinics of North America, W. B. Saunders Company, Philadelphia, Pennsylvania, February 1999, Vol 9, no. 1, pgs. 39-61

Poblete SJ, **Greene JN\***, Sokalowsky P: Infections in Febrile Leukopenic Compromised Host. Essentials of Infectious Diseases, Physicians Press, in press, 2000

Stratton CW, **Greene JN**: Role of the Microbiology Laboratory in Hospital Epidemiology and Infection Control. Ed. Mayhall G for Hospital Epidemiology and Infection, 2nd Edition, Williams & Wilkins, Baltimore, Maryland, 2000 also 2004, 3<sup>rd</sup> edition
